My name is Ayafuji Sara, your typical high-schooler,
but
yesterday, some unknown upperclassman
pounced on me and sucked my blood.
There's no way that isn't a weird thing to happen in a normal high-schooler's life.
Aaaaaaaaaah

ミシ
Aaaaaah
おあああ……
ミシ
Tremble
I re-flexively pushed her back.
What was that though?
Aaaaah
おあああ……

Going to school
Good morning, Senpai.
On top of that, she is...
shine
the student council president.
shine
Morning.
what?
And she's nice and she's good at her work!
Kya!
Kya!
Kazari-senpai is super cute!
Kyaaaaa!
She's a leg-licking perver-rrrrrrrt!
That person isn't nice, nor does she have any common sense.
"Nice"!?? Nonono, they're being deceived!
whaaaa- aaaaaa- aaat??
kya
kya

However,
yesterday, did she really suck my blood?
I checked the day after she bit me,
but I didn't see any mark, so...
what does sucking blood even mean?
She probably can't suck blood in the first place.
...Yeah.
She ain't no vampire.

her skin...
is so white
that you could
almost see
through it.
But
She's like
a princess
from one
of those
stories.
If she
appeared
under the
white
moonlight,
I think
I would
believe she's
a vampire.
She was
beautiful...
badump

むっ
pissed off
Though her character is the worst.

Ah
Ah
Ah
She did that...!

I wonder if I'll ever get used to that...?
Ah
blush
-!
bluuuuush

why was she crying at that time...!?
Still,
Aah, what am I even talking about I don't even know.

Such a beautiful

and radiant person

sucked my blood.

that person,

so radiant and blinding,

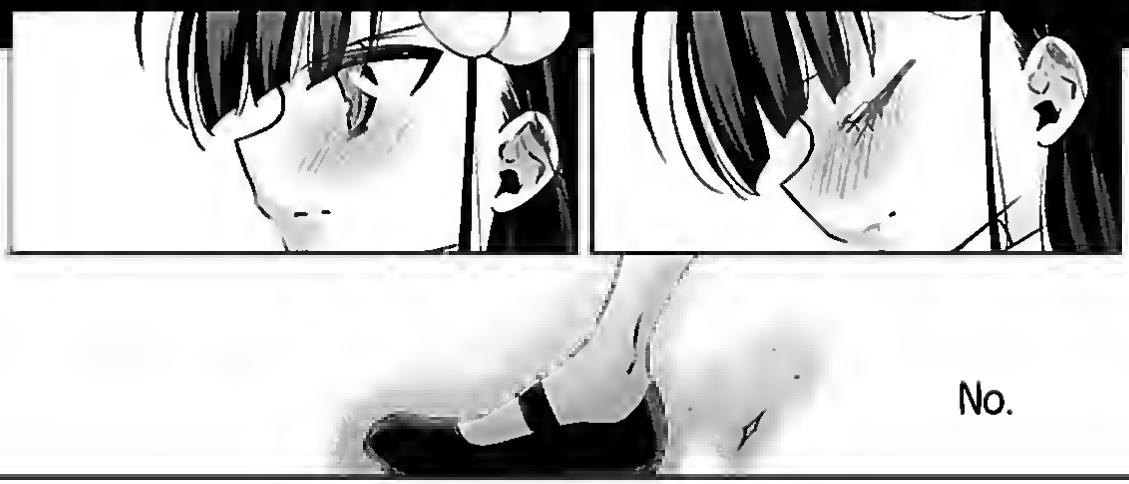
is from a world completely different to my own.

I'm the only one who gives her this much thought.

I'm the only one

being gloomy

and harboring this feeling...



No.

about why she did that to me!

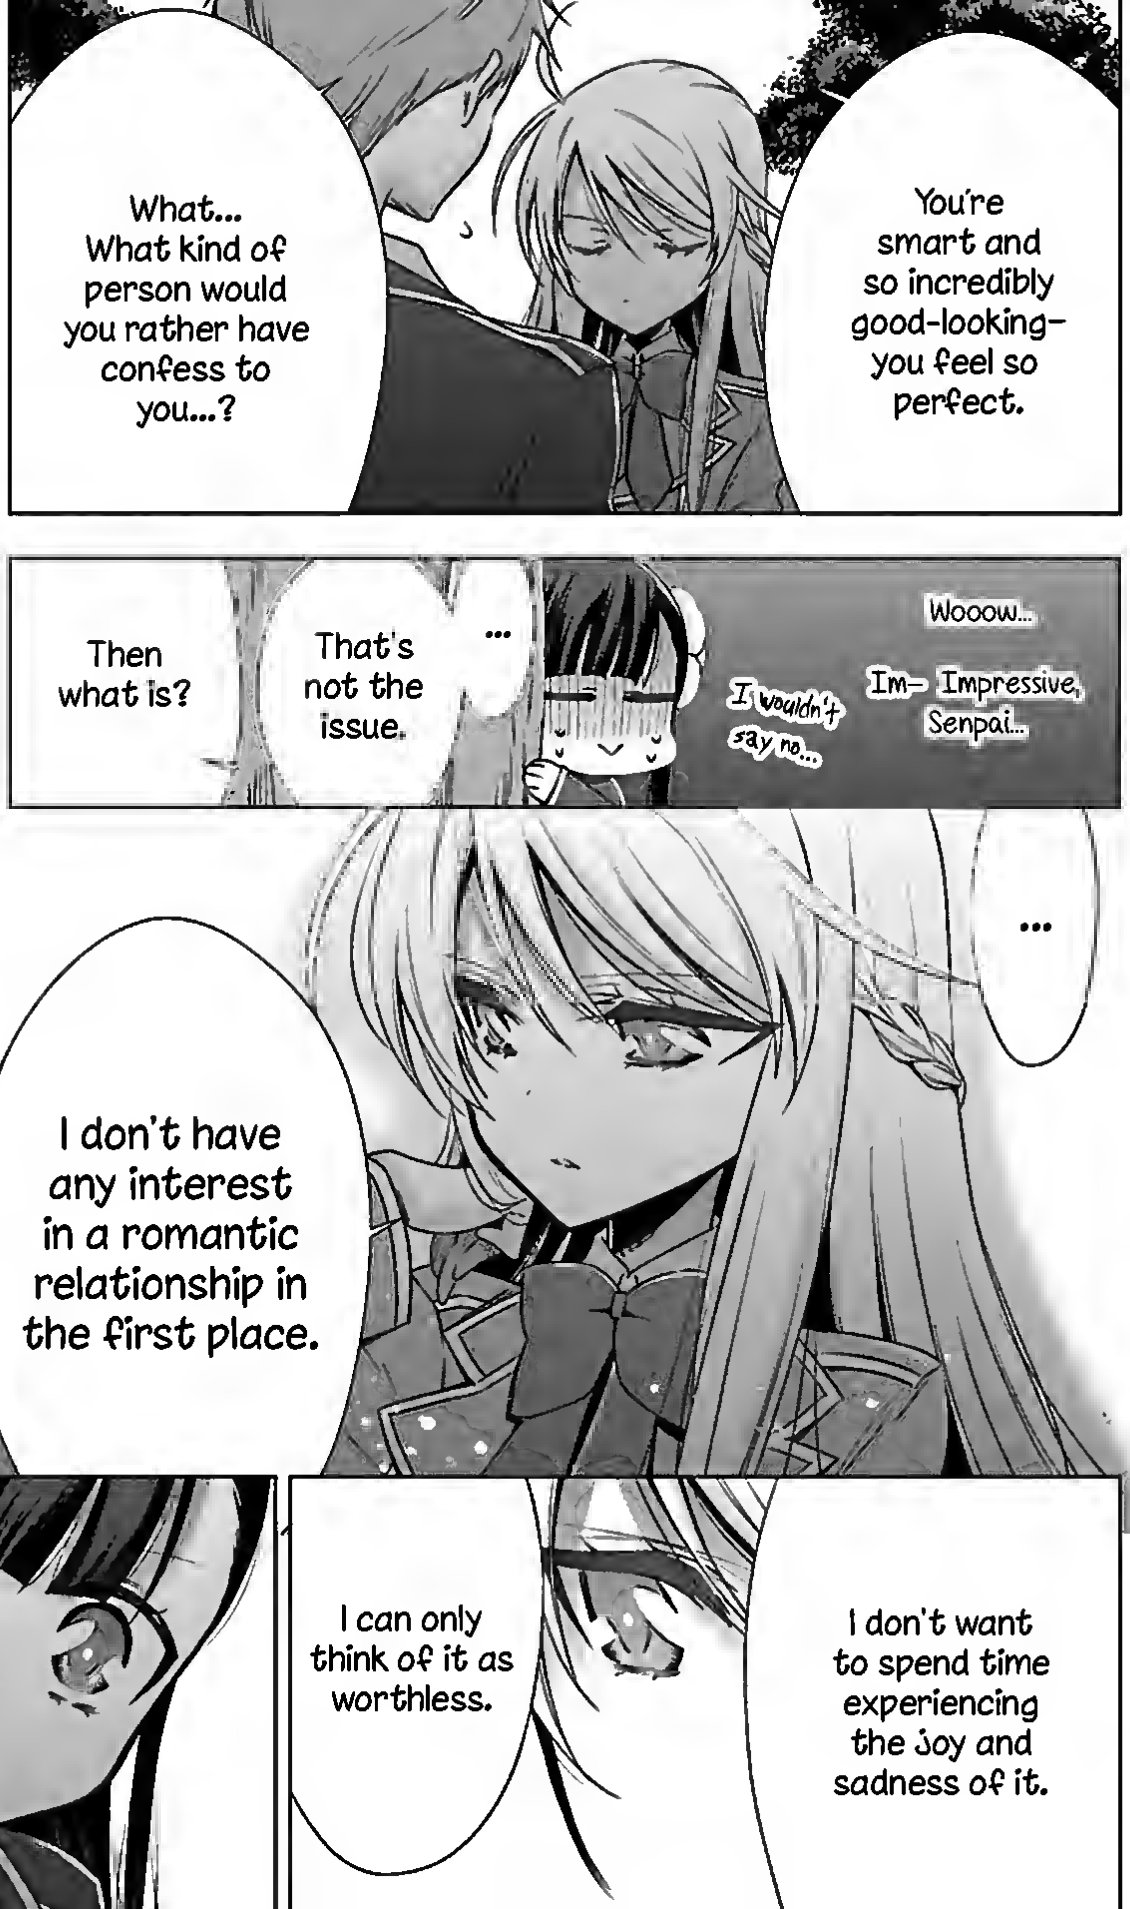
I escaped yesterday, but

I have to ask her

Ah—!
Just as I think about her, she...
Kagen, I love you!
...!!??
This is a... co- co- co- co- confes- sioooooo- oooooo- oooon!!!
Ababababababa
I've only seen that happen in man- gaaa!
They're the perfect pretty-girl, pretty-boy couple too!
I totally different wooooorld.
I want you to date me.
Erm.

clear
I'm sorry, but I have no interest in you.
My apol-ogies.
cut
So shaaarp, is she a demon!?
Hiiii..
!!!

-!!
Kagen, you...
...
I see,
clatter clatter
I re-tract my pre-vious state-ment!!
You can tell she's not a decent person just by looking at her!

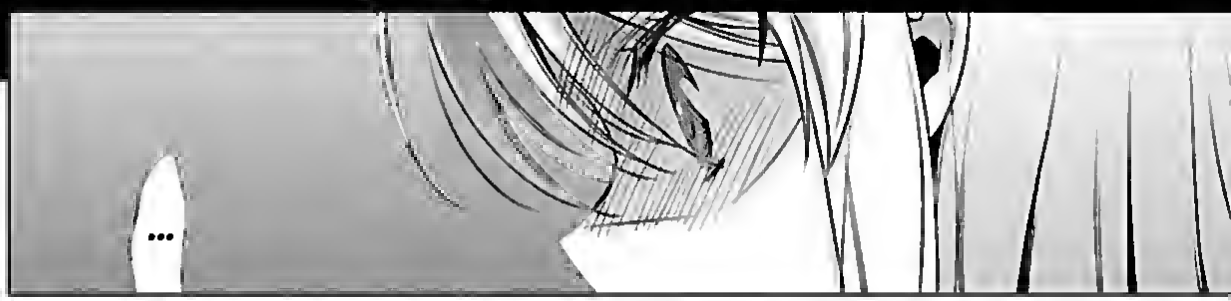


What... What kind of person would you rather have confess to you...?
You're smart and so incredibly good-looking- you feel so perfect.
Then what is?
That's not the issue.
...
I wouldn't say no...
Wooow...
Im- Impressive, Senpai...
...
I don't have any interest in a romantic relationship in the first place.
I can only think of it as worthless.
I don't want to spend time experiencing the joy and sadness of it.

I...
...
Did I disappoint you?
...
Everyone says that you're cool, beautiful, and perfect...
...but,
to me, I always saw that as a danger.
Me... a danger...?
...

It's not that bad to have someone to rely on when you're feeling weak.
You may not have noticed, but we all have weaknesses.
...You know.
Well, I'm off.
I'm protecting the Kagen household.
KA-
GEN
I... don't have a weakness. I'm always perfect!

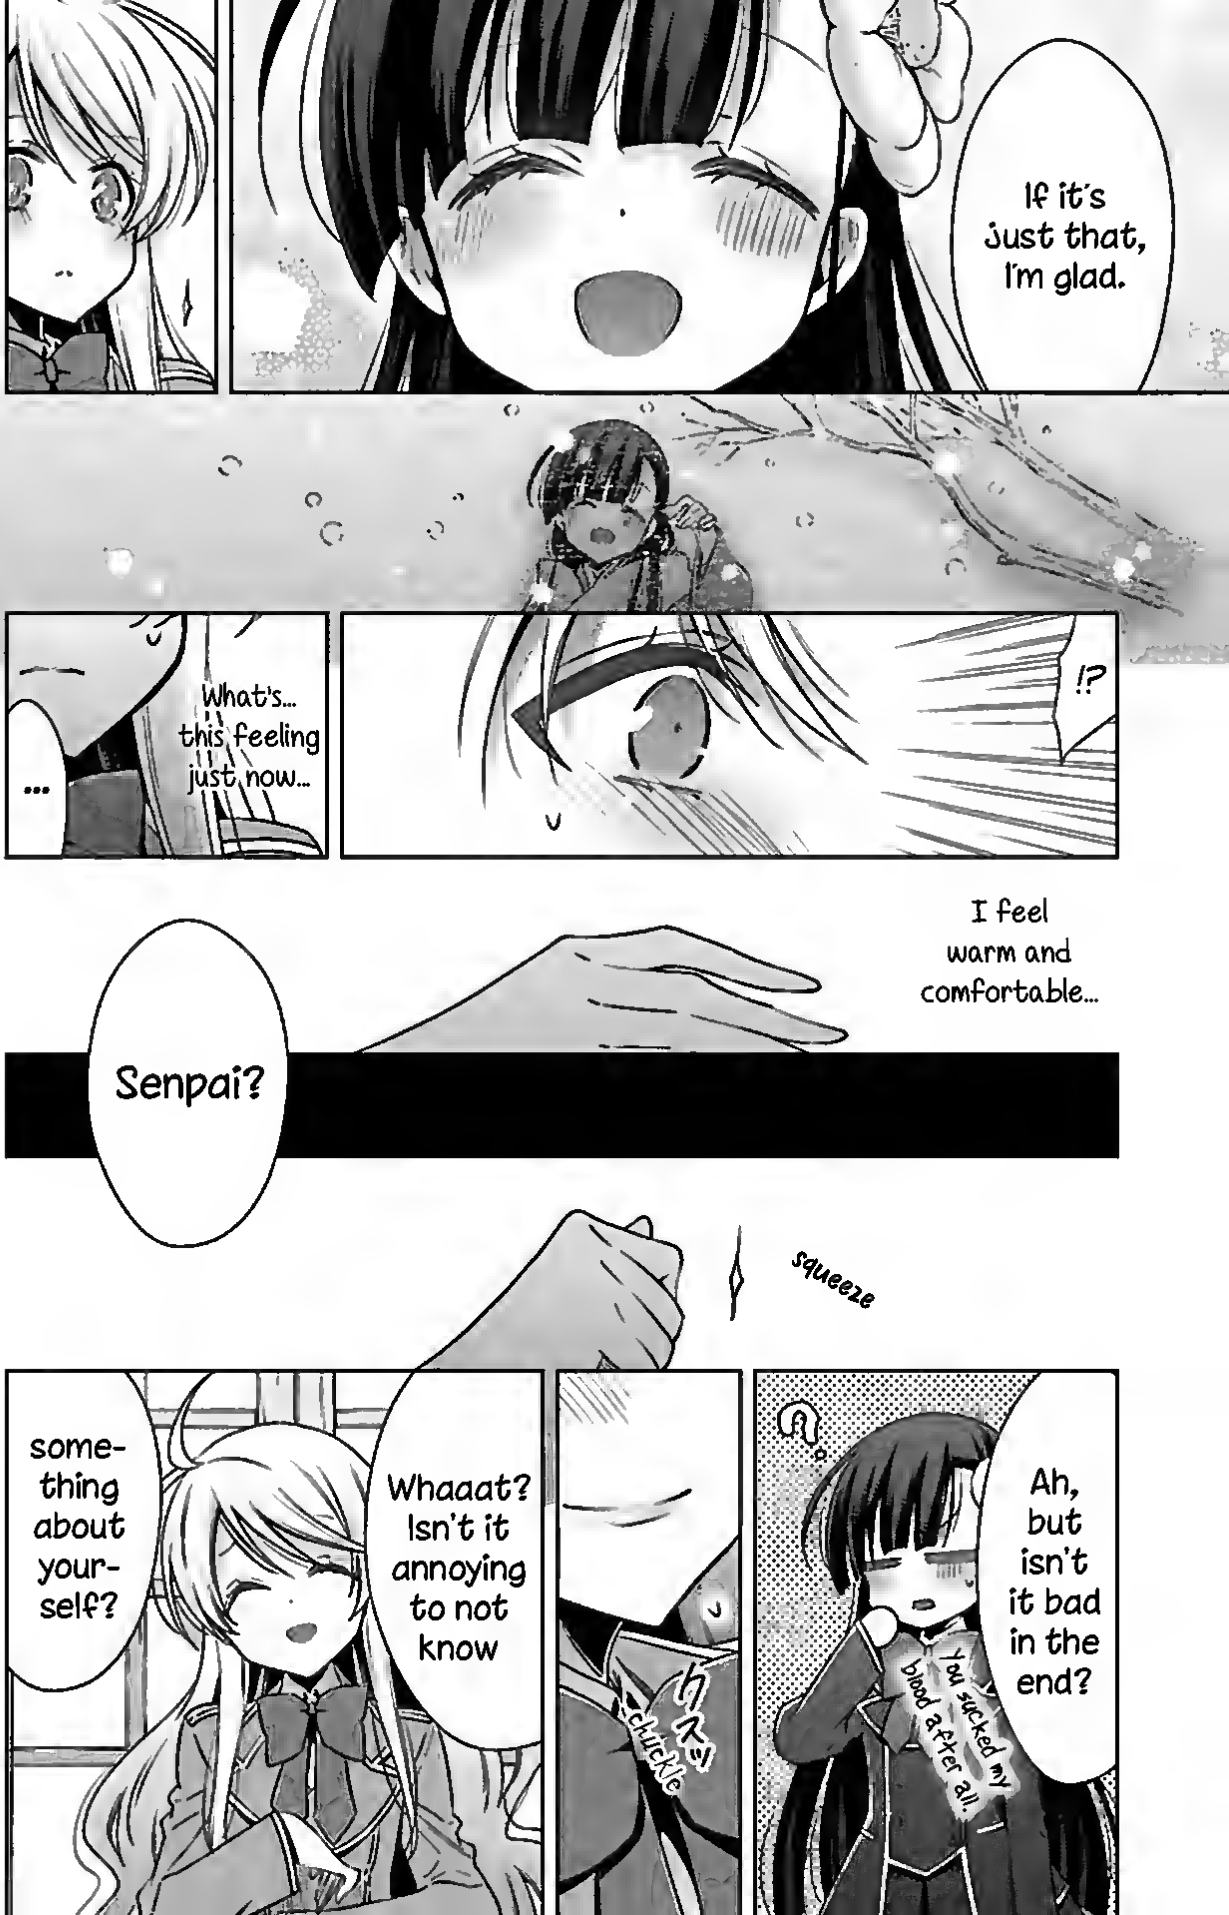
I don't think I have any weaknesses.



So! Ayafuji Sara-san!
Why were you peeping on us?
I feel like I'm a frog being stared at by a snake...
stared
hiss!
ribbit
Doesn't she totally look like an oujo-sama!!

... Um, about yesterday.
What ... do you think I am?
A vampire!
such a thing exists ...
There's no way ...
That's right—Shion, Tone-sensei, and I are
Papilio-daemons.

"Papilio," as in "butterfly," and "daemon," as in "demon."
Papilio... daemons ...?
!?
As butter-flies suck nectar from flowers,
we are demons who suck blood from humans ...
You're a... de-mon?
!
chuckle
twitch
No way, did I turn into one too?
It's just a meal!
Don't worry, even if I suck your blood, you won't turn into a vampire.
Oh, and we're fine with sunlight too.
We're more active at night, so we're not too good in the day, but our life isn't much different from a normal human's.
How-ever–
That's all!?
Ehh?!



If it's just that, I'm glad.
!?
What's... this feeling just now...
...
I feel warm and comfortable...
Senpai?
squeeze
Ah, but isn't it bad in the end?
You sucked my blood after all.
chuckle
Whaaat? Isn't it annoying to not know
some-thing about your-self?

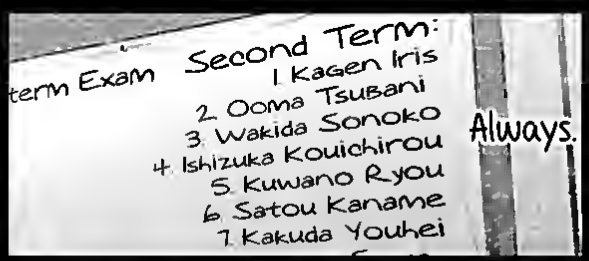
Ah-
I- I didn't like that you forced me though...
It wasn't unpleasant, though...
...I was surprised that you were sucking my leg, I thought it was the worst...
Erm... You're not scared of vampires? You're not scared of having your blood sucked?
So sloppyyy, she's so sloppy when dealing with a crisis.
Well... If there's no harm done...
... So basically, you would be fine if you were consenting?
I thought you were beautiful, but despite that, you reject the many people around you.
I was...
Yesterday, I thought I was scared, but rather than being scared
I looked... Lonely?
You looked lonely.

I've always managed to control myself.

The head of the Kagen family.

The Papiliodaemon.

Me.



Senpai?
Brides have a special pheromone to charm Papiliodaemons,
but with this girl...
creak
It's not pheromones,

it's something else.
Carrying Papiliodae-mon blood and being bound by the "limitation"...
I thought I wouldn't like it.
You ...
Se-Sen-pai?

I'll just raise a dog!

No,
you said I was your bride yesterday...
Humans bitten by Papiliodaemons become brides and dedicate their bodies to us.
Dedi-cate?
You understood it yesterday too, right?
Blood-sucking has an aphrodisiac effect.
That's why brides that have been bitten
gladly offer their bodies to us.
!!?

Don't worry, it won't hurt.
Your butt is cute.
What?
My butt?

Did she just say
"butt"!?
gya
(screams internally)
!!!
... It's a little cute when you're afraid.
creak
Stop praising me while mocking me!
badump

Relax, okay...?
!?
startle
You don't want me to miss and hurt you, right?
giggle

So, Ayafuji Sara
is it?
Oh, that's right,
Papilio-daemons and brides have a "limitation."
ha
ha
squeeze

If we don't draw blood once a day, we both get withdrawal symptoms.
With-
I didn't say it was unpleasant, but-!
Hey... Wait, does that mean we basically have to do this every day!?
With-drawal symp-toms!!!?

Well...
It's something
I'm reluctant
to do too,
though.
...
There's
no other
way, you
know.
Idio-

Indeed,
that limitation was the beginning of everything
and the end of every-thing,
but I had no way of knowing at the time.
Idioooooo!!
